### Pinot Grigio Veneto IGT, Veneto, Italy

(vegan, organic)

La Jara is an organically farmed estate, nestled in the gentle slopes surrounding the river Piave, named after the local limestone-rich soils lining the riverbed. A versatile wine with strong personality. It has an intense perfume with delicate hints of peach and apricots. The palate is soft, harmonic and fruity with a long finish.

### Sauvignon Blanc Brightside, Nelson, New Zealand

(vegetarian, organic)

Kaimira is both carbon neutral and organic, achieving both in 2012. The wine is lively on the nose with tropical and citrus fruits. The palate is ripe and juicy, carried on top of a well textured mineral backbone. The result is a mouth filling and layered wine, which balances lively fruit sweetness with the natural crisp characteristics of the variety.

### Sancerre Blanc 'Les Caillottes', Loire, France (vegan, organic)

The Dauny family belongs to a very old family of Sancerre wine growers, whose members have been growing grapes in the region since 1683. A light, refreshing wine to be consumed while young and fresh. Grassy green aromas on the palate with citrus flavours and a refreshing acidity on the crisp finish.

### Malbec Chinchero, Mendoza, Argentina (vegan, organic)

Chinchero is the new little brother of Quinde, it has a hit of fresh fruit and is a little more beardy than other more clean shaven Malbecs. The wine is more fun but definitely pure, easy to drink and kind on your body and mind. Certified Organic and vegan friendly.

### Cotes-du-Rhone Rouge 'Confidence', Rhône, France

(vegan, organic)

The estate in the foothills north of the distinctive Dentelles de Montmirail produces balanced elegant wines that reflect their terroir. The wine is aromatic and complex with dark fruits and spice on the palate complemented by silky smooth tannins.

### Chianti Superiore DOCG, Tuscany, Italy (vegetarian)

This 200 hectare estate has belonged to the Giucciardini family since 1870 and converted to organic methods in 2001. A medium-bodied and juicy wine with ripe cherries, plums and wild herbs on the palate. Bright acidity keeps the wine in balance, carrying through to the finish.

### Pierre Moncuit-Delos Grand Cru Mesnil Blanc de Blancs

(vegetarian)

The Montcuit family has been making superb champagne in Le Mesnil-sur-Oger, in the heart of the Cote des Blancs, for more than 100 years. A light and lively wine with aromas of citrus and a mineral note. A delicate and refined wine which is perfect as an aperitif.
